Letters From Our Customers

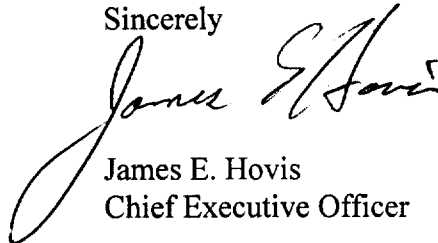

Dear Dr. Henney,

Enclosed are **three-hundred more letters** to go with the seven hundred you have already received.

This brings the total to date: **one-thousand customers** who are concerned that their right to purchase hearing aids by mail might be restricted.

Please take these letters to heart **before** settling on the wording of your proposed regulation which will be disseminated to other groups for consideration.

Sincerely

James E. Hovis
Chief Executive Officer

Encl: Three Hundred Letters to you from our customers,
